

BOAR'S HEAD FESTIVAL PATRONS AND BENEFACTORS

As in year's past, the Patrons and Benefactors of our Boar's Head Festival at Zion Lutheran Church have been granting special blessings to the program. The extra donations have helped this event maintain its self sufficiency, by meeting all of the various expenses that arise each year. The generous contributions assist in purchasing replacement costumes, props, providing meals to the cast members and also getting our message out to surrounding congregations, communities and organizations. We continually strive to make each year's production better than the last. Through your ongoing volunteer support and gracious donations, we will be able to continue this Zion tradition for many more years to come.

Patron donations range \$10-\$49
