Who We Are

Welcome to MOMS UNITED, a program designed for mothers of infants through school age children. Come and enjoy a refreshing morning of teaching and encouragement that includes a continental breakfast, casual conversations, timely speakers and helpful discussions groups. At MOMS UNITED you will find a caring community where friendships are built, personal growth occurs and God's desires for your life are explored! Spend some time with us and see what God has for you today!

Get Connected

As women in today's world, we find ourselves busy, busy, busy! It's easy to get caught up in the daily routines, and despite being involved in lots of activities, we find ourselves isolated. God desires for us to enjoy the position of mom. He wants us to connect with our kids, our husbands, our friends and Him. We hope your time at MOMS UNITED will help accomplish that.

Our Program

The MOMS UNITED program begins at 9:00 a.m. until 10:30 a.m. on the third Thursday of the month, September through April, unless otherwise noted in the brochure. Registration begins promptly at 8:30 a.m. Parking is available in the lot on the northeast corner of East & Jackson street.

Discussion Groups

Following breakfast and the speaker, mothers will have opportunities to talk about life application questions with other women at their table. The discussion will stem from the speaker's topic and will allow women to share their ideas and feelings in a small group setting.

But God calls us to live in the moment and embrace a kind of contentment that doesn't depend on our circumstances.

Is that practical? Possible? Join Ann as we explore the idea of God's call to genuine contentment.
